(Price 6s. bound.)

Price 4s. 6d. bound.

PREFACE.

IT LITTLE need be said to re-

commend any thing that bears

the character of utility about

it. Those who but open this

book will see that the author

has, under agreeable allegories, given

children such lessons in prudence and

morality, as may be of service to them

in their riper years, and help to conduct

them through the world with peace and

tranquillity; and he has made choice of

this method of conveying his sentiments,

as the most entertaining, and the most

likely to make a lasting impression on the

mind.
